(1) Cows to be milked in the hospital in the presence of the Steward or other responsible official deputed by the Medical Officer in charge of the institution.

B. K. NARAYANA RAO,
Superintendent, Minto Ophthalmic Hospital.

EPIDEMIC DISEASES HOSPITAL, MYSORE.

TENDER NOTICE.

Dated 16th September 1929.

Notice is hereby given that sealed tenders in triplicate on half sheet foolscap sized paper will be received at the office of the Epidemic Diseases Hospital, Mysore, by the Medical Officer in charge, at 9 A.M., on 2nd November 1929, for the supply of all articles of diet, etc., (as per lists given below) required for the Epidemic Diseases Hospital, Mysore, from 1st January 1930 to 31st December 1930 (inclusive).

2. No tender will be received after the date and hours abovementioned.

3. Tenders to be superscribed "Tender for the supply of Provision to the Medical Officer in charge, Epidemic Diseases Hospital, Mysore."

4. No tender will be received unless accompanied by a deposit of Rs. 200 in Treasury Receipts.

5. Tenders will be opened by the Medical Officer in charge at his office on the date and at the hour abovementioned in the presence of such tenderers as may choose to attend.

6. The rate for each item must be specified in figures as well as in words, and they must be for the particular kind or brand of the articles as specified in the list appended hereto. The value of each tender must be worked out according to the rates tendered and the total value must also be entered in words in ink. Tenders not conforming to this rule will be rejected.

7. The quantities stated in the lists are not guaranteed.

8. The Senior Surgeon does not bind himself to accept the lowest or any tender or to assign any reason for not accepting any tender.

9. The deposit of the successful tenderer will be retained and will be forfeited to Government, if he fails to complete the contract by executing the necessary agreement and furnishing the required security (to the amount of Rs. 400) within three days from the date of his receiving intimation of the acceptance of his tender.

10. No advance of cash will be made to the contractor; payments for the articles supplied in each month will be made as soon as possible, after the 10th of the following month on his producing the necessary bill with vouchers.

11. A store-room will be made available to the contractor, in which he can keep all non-perishable articles, of which not less than one month's supply must always be in stock. Perishable articles, such as, vegetables, meat, etc., must be at the hospital at 7-30 A.M., daily. For the supply of milk, the cows to be milked on the premises should be ready at 7 A.M. and 5 P.M. every day. All articles, except when mentioned otherwise, should be of the 1st sort and any articles rejected on account of inferiority should be promptly replaced by articles of the required quality or will be purchased by the Hospital Authorities from outside and the charges debited to the contractor.

12. The contract must not be sublet.

13. A fine not exceeding Rs. 50 will be levied by the Medical Officer for any infringement of the terms of the contract or for the supply of inferior articles and the contract itself will be annulled and the security confiscated to Government in the case of continued or frequent violation of the terms of contract, the defaulter being further liable to make good any loss that may result to Government by the annulment. If the contractor thinks that the fine levied in any case is not justifiable he may appeal to the Senior Surgeon (who will have power to fine up to Rs. 100).

14. In case the contractor ceases to abide by the contract any time during the currency thereof, he shall forfeit the security money to Government and also be bound to make good to Government any loss which may arise from such cessation.

15. The contractor will be bound on occasions of emergency to supply any other article or articles that are not mentioned in the list appended to the notice, at prevailing market rates and at short notice.

N.B.—Cows to be milked in the presence of the Steward or other responsible official deputed by the Medical Officer in charge of the institution.

OFFICE OF THE DIRECTOR OF AGRICULTURE IN MYSORE, BANGALORE.

Notification No. Roc. 837-*Hc.* 306—28-29, *dated 3rd September* 1929.

Applications are invited for ten places in an Agricultural Colony which it is proposed to establish under the Bhadra Channel about two miles from Bhadravati, Shimoga District. Applicants are expected to have had agricultural training and to be Mysoreans.

To each colonist will be granted 30 acres of wet land and 40 acres of dry land under the following conditions:—

1. The wet land will be granted at an upset price of Rs. 25 an acre. The dry land will be granted free.

2. Each colonist will be required to invest Rs. 1,500 which must be produced at the time of admission to the Colony.

3. Government will lend to each colonist Rs. 8,750 free of interest for four years towards the purchase and development of his land. Of this sum Rs. 6,500 will be available in the first year. The money will be advanced in instalments of not more than Rs. 2,000 each instalment after the first being advanced only on evidence satisfactory to Director of Agriculture that the previous instalments have been properly spent for the development of the property.

3 (*a*). The wet land must be cleared and brought under cultivation within two years from the time of granting the land.

4. After the fourth year the cost of the land plus the sum advanced will be repaid to Government with interest at 6 per cent per annum in 16 equal annual instalments.

5. The land will not become the property of the colonist until all the sums due to Government have been paid.

6. The land will remain permanently impartible.

7. A colonist or his heirs will not be allowed to dispose of rights in the land until all sums due to Government have been paid, except with the permission of the Director of Agriculture.

8. Any failure to fulfil any of the abovementioned conditions will make the colonist liable to forfeiture of all rights in the property granted to him and of the money invested by him.

9. A grant of Rs. 5,000 has been made by Government for the construction of wells, roads and bridges for the colony.

10. The whole colony will be under the control of the Director of Agriculture and no expenditure will be incurred or advances made except on his express recommendation.

Applications will be [illegible]
